Re: United States v. Roper et al.
Case No. 1:16-CR-00542 (KMW)

Dear Judge Wood:

I am the attorney for Fernando Serrano, a defendant in the above-captioned case and write this letter to request permission for him to travel to Belleayre, New York for a day trip on February 22, 2020. Mr. Serrano pled guilty before Judge Pauley and has been at liberty based upon an agreed bail package during which time he has complied with all his conditions of release and remains in good standing.

Mr. Serrano is now seeking permission to travel outside his current permitted travel area, which is the Southern/Eastern Districts of New York, to Belleayre, New York on February 22, 2020. He will be returning home the same day.

This letter, as well as the requested relief, is made over no objection by AUSA Noah Solowiejczyk, the Assistant United States Attorney handling this matter. Further, the specific itinerary for the requested travel has been provided to Mr. Serrano's pretrial services officer.

Wherefore, it is respectfully requested that this Court allow Mr. Serrano to travel outside his bail related/limited travel area and permit him to travel to Belleayre, New York on the aforementioned dates at the aforementioned location.

Thank you for your attention herein.

Respectfully submitted,

J. R. Cardenas
